In a submission entitled, "Motion to Correct Sentencing Computation by Judicial Recommendation of Properly Applied Commencement Date," which was docketed on March 6, 2023 (Doc. #157), defendant Crews argues, based on what he claims to be new evidence, that the Court should order that his sentence commenced running on September 4, 2013, rather than March 22, 2016.

By April 11, 2023, if he wishes to do so, defendant may file a reply to the government's response.
